Program Description:

Are you prepared for the unexpected as the SANE practitioner? Experiences sometimes come to us few and far between, however it is imperative to stay up-to-date and current in SANE practice. Remaining competent in the rare experiences is essential. During this action-orientated refresher, the participant will be engaged in learning or reviewing the suspect exam, dealing with patients with AODA/substance abuse or other mental health challenges, and conducting a male examination. During the lunch hour, the crime lab will be giving an update on the new examination kits and answering questions. Sign-up today!

Program Objectives - Participants will be able to:

- Assimilates information related to the male SANE victim
- Conducts a suspect examination
- Receives tips/techniques for dealing with mental health and substance abuse SANE situations
- Participates in case studies/simulations activities
- Receives a kit update from the WI Crime Lab
- Networks with SANE colleagues
